

News and Announcements

- Time sensitive announcements (pop-up)
- Profile updates
- New features or changes to the website
- Events
- Read them from the home page or by clicking on the scrolling headlines at the top of the page after login.

User Tools and Newsletter

- Pre-recorded short how-to webinars covering single features on BCD.
- eNewsletter – current and archived issues

Quick Search

The best option when you're certain of the EXACT name and/or NPI #

Profiles

- Print button, download and save options included on every profile.
- Avoid errors and waiting for your results to re-load by using the [Back to Search Results](#) link instead of the Browser back arrow.
- Send us your questions about a specific physician by clicking [Send Feedback](#) at the bottom of each profile.

Advanced Search

- Word wheels to help identify name variations
- Search by criteria other than name or NPI # including the most popular fields:
 - Certification(s)
 - Licensed state
 - MOC

Make This My Default Landing Page

Choose which page you use most often (includes Search pages and Alerts) and click the link at the top of that page

Batch Search

Upload a file with up to 100 physicians to search on all at one time.

Alerts

- Email notifications for profile updates.
- Don't waste time checking for updates! If you have an alert set up you will automatically receive notice.
- Alerts are great for lists too.
